Every Bite, A Homecoming

India's favourite premium condiment

Discover a collection of meticulously curated classic Indian treasures sourced from 9 states across India's heartland.

Discover authentic traditional pickles handcrafted at source by artisans, from fresh, locally sourced produce and treasured heirloom recipes, ensuring uncompromised authenticity and freshness in every jar.

Largest collection of Regional Taste

Curated selection spans tangy, spicy, sweet, and savoury flavours native to specific Indian locales.

Authentic Heritage

Heirloom recipes sourced from India's diverse regions, preserving generations of flavourful traditions.

Farm-to-Jar Freshness

Fresh, locally grown produce is transformed into pickles at source, locking in peak-season taste and nutrition.

Handcrafted Small Batches

Each jar is made by skilled artisans in limited runs to ensure consistent quality and artisanal charm.

All-Natural

No artificial colours or flavours, just pure ingredients and time-tested fermentation techniques.

Probiotic & Health-Focused

Naturally fermented to deliver gut-friendly probiotics, aligning with modern wellness trends.

Ethical & Sustainable

Partnerships with local farmers supporting community livelihoods, while eco-friendly packaging minimizes waste.
